

L&C Enterprises-USA

May 23, 2023

Dear Interested Business Partner,

Thank you for the interest in our ties, standards and business. L&C Enterprises-USA is located 6652 N.75 Drive in Escanaba MI, 49829.

Regarding the ASTM specifications and standards.

L&C Enterprises-USA ties meet the ASTM F567-14 8.4 Power Fastened, Preformed Metallic Coated Steel Round Wire Ties specifications. Furthermore, L&C Enterprises-USA, Easy Twist ties are fabricated to meet ASTM, Federal Bureau of Prisons, Army Corps of Engineers, Federal Aviation Administration, and state and local facility specifications.

- *ASTM F567, Revision 14A, August 1, 2014 - Standard Practice for Installation of Chain-Link Fence*

**This standard does not purport to address all of the safety concerns, if any, associated with its use. It is the responsibility of the user of this standard to establish appropriate safety, health, and environmental practices and determine the applicability of regulatory limitations prior to use. For specific precautionary statements, see Section 13.*

**This international standard was developed in accordance with internationally recognized principles on standardization established in the Decision on Principles for the Development of International Standards, Guides and Recommendations issued by the World Trade Organization Technical Barriers to Trade (TBT) Committee.*
